RENMARK RED MUD RUN cont.

On Monday we visited my cousins who now live in Renmark, they had the Holden dealership at Jamestown until he retired.
For dinner we caught up with Alan and Lut Matthiessen in Loxton. They said hello to you all.

On Tuesday we caught up with another cousin at Waikerie and visited the Waikerie RSL and then headed for home.

Mr. Thunderbird behaved all weekend but was a bit thirsty.
We had a great weekend and enjoyed ourselves. Some clubs go to these events as a group from their club. It is not much to organise just get yourself there as the organising club has done all the activities for you. Think about it; the next one in the Riverland will be in 2 years.

Brian and Cynthia

RENMARK RED MUD RUN

24th and 25 October 2026

hosted by the RIVERLAND VINTAGE & CLASSIC CAR CLUB

We headed off Friday mid-morning to get up to Renmark for the Renmark Red Mud Run which is held bi-annually in different towns around the Riverland. In 2024 it was at Loxton, but this year it is at Renmark.

Registration was from 10 am in the morning at the Olivewood Museum where you could have a cuppa and biscuits and also browse the museum which had lots of memorabilia and some vehicles too. We received a bucket full of goodies, after our look around Olivewood Museum, we visited the Olivewood Homestead which was beautifully restored with all the furnishings and apparel for the era. We caught up with lots of friends and met new ones. Brian is always finding someone who wants to know something about Registration or Running of their Club so sometimes he takes one step forward and two steps back. We had a browse of the cars, went off to get some lunch and went down to the River Murray in time to go on a cruise on the Paddle Steamer PS Industry. It was a lovely journey up and back along the riverbanks and we loved the scenery.
Back to our accommodation then off to dinner at the Greek Orthodox Hall where we had a lovely dinner and raffle.

Day 2 and last day of the Renmark Red Mud Car Run - weather forecasts have been correct. Clouds looked dark and a few things had to change to accommodate us. It was an early start at Olivewood, meeting point again, where we split up into two groups and made our way to morning tea. We just followed the car in front, as surely, they will know where to go. Morning tea was delicious with lovely fluffy scones and cake and biscuits, and then we left for the show and shine display; which had a venue change as well because of the weather this was at a Lutheran Church Hall. After a running board lunch and some music from a local Brass band. Votes were made for the vehicles you wanted to win and with some time to spare before dinner. We were encouraged to visit a few sites. We went to a Look Out and climbed the tower, it was much colder now and with a strong wind blowing we didn't stay up there long. We then headed off to near the border where the river boats were checked when entering South Australia.
Drove back to our accommodation and freshened up to go to dinner at the Renmark Hotel.
Trophies for cars were presented and lots of raffle prizes and we enjoyed another excellent dinner.
Said Goodbye to friends new and old.

Minutes of the AAAC General Meeting held on the 16th of October 2026 at CCC clubrooms.

Historic Vehicle report; a quiet month

Club Captain. Ross circulated a list for those attending the Christmas barbecue and dietary requirements. Ross encouraged members to bring historic registered cars on runs where practicable and asked the meeting whether picnics or pubs were preferable. It was suggested to alternate. The Hans Heysen Gallery in Hahndorf will be visited on November 22nd with a picnic in the gardens afterward. Meet at the clubrooms at 10am for a 1030 start. Charlie offered to cook an early morning barbecue at Aldinga beach in January. There is a fee to drive onto the beach after 8am of $8.

Low carbon fuels suitable for older vehicles at a similar price to petrol are being produced in Tasmania A conference will be held in November to discuss where the 230,000 not for profit clubs are heading and the burden to administer legislation Both Marion and Onkaparinga Touch A Truck events have been cancelled. The Marion event has been rescheduled to December 15th. Please let Cynthia know if you are bringing a vehicle as she needs to advise Marion Council of attendees.

Larry Clarke presented the Clarke Family award to Edd Gray who has been a member for 20 years, Club Captain for many of them and organising the Rocker Cover Races every year
Meeting closed at 8:37pm

Simon Halford from the RAA gave an interesting talk after the meeting on electric vehicles

LOG BOOKS

A number of LOGBOOKS posted to the club's Historic Vehicle Registrar for updating have recently gone missing.
The posting of LOGBOOKS to Brian Morgan was only introduced during the COVID period when we could not hold General Meetings.
Due to these issues with Australia Post Brian no longer wants Logbooks posted to him.

The clubs preferred method of updating you LOGBOOK is at a General Meeting.
Brian attends virtually all monthly General Meetings,
so come along with your book, the current registration papers and proof you are Financial member of the club and Brian will action your book at the meeting.
(Note: Your membership receipt issued by the Treasurer will be evidence of financial membership)

Alternatively if you cannot attend a General meeting, Books can be presented to Brian Morgan at his home (mob 0418 829 998 home 8336 7239).
Note Brian does shift work, so you will need to ring him and arrange a convenient time to get your book actioned.
Be mindful you can't cold call on him and expect him to be available.
Also as of July 2023 Brian has moved and is now living a gated community so you can't just rock up, you need to contact him first.

If you cannot get hold of Brian you can also get your LOGBOOK processed by any one of the clubs 6 VERIFICATION OFFICERS.
Again the contact details of the Verification Officers can be found in the club magazine.

Logbooks processing includes:-
- Issuing of a new logbook due to new club registration of a vehicle.
- Updating an existing logbook for each financial year as a condition of club registration.
- Updating an existing book and details on starting a new period in registration (1 year or 3 years registration renewal available)

Finally, remember, before you present your log books, please check on the inside cover to make sure it is less than 3 years old.

If the 3 renewals have been used, please bring $3.00 to pay for the new book.

AAA Club Website Address

We now have a new AAAC Website Address.
In line with the club name change our clubs website address has changed to be www.aaaclub.org.au
