## LOG BOOKS

A number of LOGBOOKS posted to the club's Historic Vehicle Registrar for updating have recently gone missing.

The posting of LOGBOOKS to Brian Morgan was only introduced during the COVID period when we could not hold General Meetings.

Due to these issues with Australia Post Brian no longer wants Logbooks posted to him.

The clubs preferred method of updating your LOGBOOK is at a General Meeting.

Brian attends virtually all monthly General Meetings,

so come along with your book, the current registration papers and proof you are Financial member of the club and Brian will action your book at the meeting.

(Note: Your membership receipt issued by the Treasurer will be evidence of financial membership)

Alternatively if you cannot attend a General meeting, Books can be presented to Brian Morgan at his home (mob 0418 829 998 home 8336 7239).

Note Brian does shift work, so you will need to ring him and arrange a convenient time to get your book actioned.

Be mindful you can't cold call on him and expect him to be available.

Also as of July 2023 Brian has moved and is now living in a gated community so you can't just rock up, you need to contact him first.

If you cannot get hold of Brian you can also get your LOGBOOK processed by any one of the clubs 6 VERIFICATION OFFICERS.

Again the contact details of the Verification Officers can be found in the club magazine.

### **Logbooks processing includes:-**

- Issuing of a new logbook due to new club registration of a vehicle.
- Updating an existing logbook for each financial year as a condition of club registration.
- Updating an existing book and details on starting a new period in registration (1 year or 3 years registration renewal available)

Finally, remember, before you present your log books, please check on the inside cover to make sure it is less than 3 years old.

If the 3 renewals have been used, please bring \$3.00 to pay for the new book.

## New AAA Club Website Address

We now have a new AAAC Website Address.

In line with the club name change our clubs website address has changed to be [www.aaclub.org.au](http://www.aaclub.org.au) replacing [www.adelaideantiqueauto.org.au](http://www.adelaideantiqueauto.org.au)

In the short term both new & old website names will work to take you to our website.

# Woodside Roundup 7th November 2025

The Adelaide Hills Restorers Club for many years has run the Power of the Past event at Mount Barker, sadly this year they had to cancel it, like most clubs they have suffered from the lack of volunteers. A suggestion was made to replace it with a simpler event just for club members, an event that could be set up and packed up quickly. Woodside Roundup was the result.

Location was at the Woodside Oval, the same area where our last Progressive Run lunch finished except conditions were a lot nicer. Vehicles were in rows with plenty of room between vehicles for chairs and tables, spotted Phil Franklin busy chatting with other exhibitors, he had brought along his Ford Maverick and Royal Enfield Outfit that was the only motorcycle there. After spending a couple of hours looking at vehicles and chatting we had lunch with Phil Franklin.

A enjoyable day amongst fellow enthusiasts looking forward to next year if it is held again.

## 42nd ALL BRITISH DAY AT ECHUNGA Sunday 22nd February 2026

Brian and I had intended to go on the AAA Breakfast Run as well so we got up early and were ready to leave just after 7 am. But of course he was waiting for me and decided to check on where the breakfast was as we anticipated getting there by 9 am and leaving probably as the AAA members arrived. Well it did not open till 10 am and the entrants have to be parked at All British Day by 10.30 am. Brian rang Ross Brown and told him we would be a no show for breakfast.

The weather forecast was iffy, but we had had no rain and there was no wind so we were happy. Therefore we left a little later than our original plan, but we arrived at Echunga reasonably early just after 9 am. as had many others.

Stephen Thiselton was already there as the AAA Marshall for the site. Ann and Ron Atkin were already there too, so we parked Morrie easily. We were also next to a large gazebo provided by the ABD. So we put our chairs and tables in there to make sure we had shelter if it was needed and we didn't have to put up our club one which Stephen had brought.

We had a hot dog with the lot for our breakfast and went for a stroll around the two ovals. Saw lots of people we hadn't seen for ages. Brian talked to and discussed cars with many as we moved around. We were actually a bit hot as it was rather humid. But we had a great day. As will see from the pictures quite a few of our members came for the day too.

Well done All British Day Committee once again.  
Brian and Cynthia

## AAAC BREAKFAST RUN to Karkoo Nursery Sunday 22<sup>nd</sup> February 2026

We met at the CCC Clubrooms under overcast skies, it was warm with a forecast of rain and possible thunderstorms, participants arrived in vehicles suited to the forecast conditions, sadly for our parched gardens (but to the benefit of the run) no rain eventuated.

Thirteen vehicles participated, Ross & Liz – Honda CRX, Robyn & John – Toyota RAV 4, Bruce – Commodore, David & Helen – Honda CRX, Ric & Libby – Toyota Echo, Ian & Wendy – Ford Capri XR2, Lorenzo, June, June & Ngunyen – Toyota Hi-Ace, Chris & Edd – Mercedes, Brian & Chris Mazda 3, Heather & Gordon – Subaru Forester, Micheal & Winnie – Honda Prelude, Larry & Di – Mitsubishi Triton. Another couple joined us later at the breakfast venue having experienced starter-motor problems with their Ford Fairlane and having to go home to change vehicles.

Run organiser, Ross Brown, handed out Route Sheets at the start and made sure that participants filled in the attendance register. At around 9:00 am Ross called us together to get our final run instructions, he clearly advised that he and Liz would lead the run in “THE FROG” (easily visible bright green Honda CRX) and that David and Helen would bring up the rear in their red CRX.

There was some confusion at the start, it was obvious that some participants had not paid attention to Ross’s instructions, we got into our car and waited for “THE FROG” to get underway but several vehicles left ahead of it. We fell in behind “THE FROG” after leaving the CCC and followed it along Clark Avenue into Naldera Street and onto Winifred Avenue where Ross pulled over to allow following cars to catch up. We waited, and waited, and waited but no other cars appeared so Ross performed a U-turn and went back to look for them while we continued to follow the specified route.

We turned onto Anzac Highway, then into Greenhill Road which took us all the way to Balhannah. Along the way Ross had scheduled a re-grouping stop on Greenhill Road, North of Glynburn Road (before the road became a single lane), we waited there until the others caught up then had the pleasure of travelling in convoy for the rest of the trip.

We continued to Balhannah and turned onto Onkaparinga Road taking us to Oakbank then onto Oakwood Road and our breakfast destination “Karkoo Nursery” where there was plenty of easy parking. The total distance travelled 33km.

## BREAKFAST RUN to Karkoo Nursery cont.

We made our way into the Licensed Café where two long tables had been organised to accommodate our group, it was around 10:30 am by now so those who neglected to have something to eat before leaving home were feeling decidedly peckish, service was prompt and friendly and food and drinks of a high standard.

We enjoyed a pleasant meal in good company and then were free to explore the establishment set amongst historic buildings including the Johnston Brewery circa 1843. There was a lot more to see than the name "Karkoo Nursery" implies, the plant nursery was extensive but there were a variety of wares available for sale – antiques, pots, garden art, homewares, giftware, furniture and fashion.

Many thanks to Ross and Liz for organising this most enjoyable run. We ended up making a day of it visiting family in Strathalbyn and friends in Kangarilla on the way home.

Brian Bennett

## ALL AMERICAN DAY

### Sunday 15th February 2026 - from 9am to 2 pm

This classic event has been held yearly since 1986 by the American GM Drivers Club of Australia; here in Adelaide at various places. It was again held this year at the beautifully maintained sports oval at the Gleneagles Reserve off Ailsa Avenue at Seaton. And the event is free.

It is always a family friendly event to encourages owners of American manufactured vehicles to display their cars on the day.

It is helpful that there are experience traffic marshals to guide and direct all of these huge vehicles to their parking spots on the lawn.

This year was a bit warmer than usual, but the large number of enthusiasts who brought along their American Cars and Bikes to enjoy one another camaraderie was again very special. For Brian and I we catch up with friends who we quite often only see once a year.

Coast FM were there to broadcast the event talking to owners about their vehicles and the restoration etc. and the music was great too. Also lots of choice for food and beverages to temp you as well as the air conditioned clubrooms to look at model cars, manuals and books.

The T Bird enjoyed the day too!

Cynthia & Brian Davey.
